

## **TEACHING OUTSIDE THE CLASSROOM: Considerations for Effective Mentoring**

Valère Lambert and Alexandra Barth

**Exercise 1** Think about mentors you have had. What are aspects of those relationships that differed from experiences with educators in a classroom?

**Exercise 2** Imagine you are mentoring a SURF student for a summer in your research field. Develop two technical and two professional learning outcomes for the experience.

**At the end of the summer, my mentee will be able to ...**

**Technical Learning Outcomes:**

1.

2.

**Professional Learning Outcomes:**
